Bay Mills Community Hub

2026

The Bay Mills Neighbourhood

365 Bay Mills is located in the Steeles-L'Amoreaux community of North Scarborough and can be found off Birchmount, just north of Sheppard. Almost 63.1 per cent of the population are newcomers to Canada and bring with them a rich collection of cultures that make the community vibrant. But the area also

faces barriers to reaching its full potential. There is a high concentration of poverty, with 14.6 per cent of families living on low incomes. The youth population (15-24) is 11.9 per cent and youth lack access to safe public spaces, programs and services, and face a high unemployment rate.

43,108 People live in the neighbourhood.

16.9% is the unemployment rate for the neighbourhood compared to 13.8% for the city as a whole.

14.6% of families are living on low incomes.

54% of the neighbourhood population has post-secondary education. (62.4% City-wide)

11.9% of the population are youth aged 15-24 years old.

Bay Mills Community Hub

Size: 4,000 Square Feet

Opened: 2014

Agencies in Hub: ACSA Community Services (lead agency since 2018)

- Toronto Community Housing
- Mobility Matters
- English Circle for Women

Services: Youth programming including outreach supports, community events, workshops, violence prevention and leadership programming; ESL supports for women, community food programs such as food markets and breakfast programs, social & wellness programs; children's programs including summer and after school programming; social support programs for diverse residents including seniors.

Since Fall 2019, the Hub has had a significant impact in the community (updated as of Mar. 2026):

102,244

The total number of visits that have been made to the Hub, giving a sense of how many community members are making use of vital programs and services at the Hub.

46,011

The number of visits to the Hub by children and youth who accessed programs and services.

5,376

The number of times community space used for a wide variety of activities, reinforcing the vital role of the Hub in providing accessible space to residents.

87,265

The number of times residents have participated in activities in the community space at the Hub, demonstrating how the Hub provides opportunities for residents to connect and participate in local events.
