(The amounts listed below pertain to funds disbursed to agencies from April 1, 2024 to March 31, 2025)

COMMUNITY SERVICES SECTOR

United Way Greater Toronto's community services focuses on delivering UWGT-led initiatives and funding to external service agencies to deliver high-impact, evidence-based programs. These programs support people in or at risk of poverty, help individuals transition out of poverty, and address the systemic issues perpetuating poverty. Stable, long-term funding and collaboration with agencies is an important and unique feature of UWGT's commitment to high-impact programs. Multi-year funding commitments of three year and five year investments give organizations the stability to plan ahead, adapt to emerging issues and support system-wide planning to make a real difference in people's lives.
